*Presented by Evan's Golden Heart Foundation*

# About Evan's Golden Heart Foundation

**We're incredibly excited to host our first Golden Heart Gala on February 28, 2026, at the Barn at Brambleton to raise funds to bring smiles and support to children battling cancer and the families that love and support them.**

## About Evan's Golden Heart Foundation - Our Mission Drives Us

Evan's Golden Heart Foundation supports families and children battling childhood brain cancer, with a focus on Diffuse Intrinsic Pontine Glioma (DIPG).

Founded after

Evan's courageous 13-month battle with DIPG, the foundation provides critical emotional and financial support to families facing unimaginable challenges.

Mission: Bring smiles, support, and relief during the hardest moments.

### Support for Families

When treatment costs rise and everyday life becomes overwhelming, we help cover essentials like groceries and gas so families can focus on what matters most: time together

### Joy for Children

From toy deliveries to celebration packages, we bring small moments of happiness to children in treatment and remind them they're still kids, not just patients.

### Hope for Tomorrow

We are working towards helping to fund research for childhood brain cancer, with a special focus on DIPG – the rare, aggressive tumor that took Evan's life far too soon.

# Evan's Story and A Family's Promise

## *Honoring a Brave Young Boy and His Inspiring Legacy*

- In May 2022, Gloria and Scott Sweeney learned their four-year-old son, Evan, had Grade 4 Diffuse Intrinsic Pontine Glioma (DIPG) – a rare and terminal brain tumor with no cure and no surgical option.
- For thirteen months, he faced each day with courage, laughter and love that touched everyone around him.
- Heartbreakingly, on June 19, 2023, Evan gained his angel wings after a thirteen month battle.

### *Out Of That Devastating Loss Came A Promise:*

To help other families walking the same path know they are not alone!

Evan's Golden Heart Foundation was built on a love that refused to look away – the support of friends and family who carried the Sweeneys through their darkest days. Now, that love carries others.

# Helping Hearts - How We Support Families

*Delivering support and joy to children and families affected by cancer*

In our first two years, we have:

- Delivered over 2,000 toys to Children's National, INOVA Fairfax, and INOVA Loudoun hospitals
- Celebrated special milestones for children battling DIPG - completing radiation treatment, birthday gifts, and other moments of joy
- Supported families with real costs as they battle cancer with their children - groceries, bills, gas, and funeral and memorial costs

# Our Vision For Tomorrow

*Focusing on Growth, support, and expanded reach for families*

- Partner with Children's National Hospital and INOVA Fairfax oncology departments to sponsor families
- Partner with INOVA Fairfax to enhance their children's oncology floor experience - portable fish tanks, sensory walls, and more
- Expand financial and emotional support programs for families and kids
- Work towards funding DIPG clinical and research trials

# MAKE AN IMPACT

*Turn empathy into action.*

Help families facing childhood brain cancer feel seen and supported.

*Heart-led. Action-driven.*

It's easy to look away from what hurts. Join a community that leans in with love. Every gift turns empathy into something real for families walking through their darkest days.

*Leave a Legacy*

Your support is essential in helping families navigate the challenges of childhood cancer. Together, we can create a lasting difference that echoes through lives touched by love.
